

CAMP BELKNAP: School Programs

Camp Belknap, on Lake Winnepesaukee in Tuftonboro, NH, provides structured, immersive experiences for middle and high school students. These one to three-day programs aim to support schools in their goals around leadership development, community building, and student well-being.

Program Goals

Foster Student Group Cohesion	Through shared cabin living, group games, and reflective discussions
Develop Leadership Skills	Via structured leadership activities and team challenges
Promote Belonging & Inclusion	Through intentional programming focused on connection
Encourage Outdoor Engagement	With ropes course, paddlesports, archery, and waterfront recreation
Support School Culture	Activities are aligned with school values and advisory goals
Live the Belknap Mission	Students are encouraged to lead by example, consider others, and seek joy through meaningful participation in nature and community
